

# Bulletin Board

**Take Note:** You'll need an old pair of shoes or sandals that you don't mind getting wet. (for one of the Olympic events) *You might also consider bringing a plastic bag to pack them in for the trip home. Stuff takes forever to dry at camp.*

Raincoats are called "*Raincoats*" because you wear them when it rains. They keep you dry.

This is a good thing.

## Subfreshmen and New members:

If you are starting to experience any of the following symptoms:

1. Queasy stomach
2. Trouble sleeping
3. Anxiety attacks
4. Uncertainty-"What was I thinking when I said I wanted to go to camp?!" "Maybe I don't really want to go."
5. Terror "NO, NO, NO...not going to happen!"

RELAX! This is normal. Camp is difficult but not fatal. Remember...you were invited because we were sure you could handle it. You CAN do it and you will have fun. Lots of fun.

You will not be embarrassed...so stop worrying.

Pack at least one sweatshirt. It gets cold at night at this time of year.

## Snacks??

Bring them... but you have to carry them.

Regular use of hair dryers causes premature baldness.

## David Ings, Daniel Maienza, Ethan Karnesky, Robert Fernandes

You will need an alarm clock.  
Your cell phone alarm will work.

You can brush up on **Reveille and Taps** by checking the Buglers button on the band camp page.

## ATTENTION:

Use of the hot tub will be restricted to staff and chaperones only from 7pm-9pm.
